

# Building an Intern Team

Seeking 3-5 high energy, creative, and talented thinkers to be part of a strong, collaborative team

**Needed.** A focused team of college level students or recent graduates looking to expand their horizons in business, marketing, organizational psychology and the publishing industry.

**Goal.** Team will collaborate to support the research, marketing & promotion for a business book & associated articles. Publication timeframe September 2012.

## Skills & Requirements.

- Serious about a career in business
- High achievers
- College juniors/seniors or recent grads
- Concentrations: Undergraduate Business, Marketing, English, Psychology or Organizational Development
- Carolina (local) geography a plus
- Proficient in Social Networking with established networks, especially on Twitter, Facebook, WordPress & Linked-in
- Proficient in Collaboration and working in a virtual team environment
- Proficient in research, copy writing, proofing
- Excellent communication skills
- Experience and strong interest in Marketing, Promotion and/or Public Relations

**Unlocking your future.** At this point, you're probably still exploring your options. You know what some of your talents are, but you may not be totally sure how to apply them, or what kind of work/career experiences lie ahead.

## What's in it for you?

- Networking among local and global professional communities
- Hands-on business insights, project skills and work experience
- Recommendations (for quality work)
- Career networking & promotion
- Positive, high-energy team environment
- Profit Sharing option and cash bonuses available

## Work Arrangements

- Starts immediately
- Month-to-month or quarterly
- 10-20 hours monthly
- Flexible hours
- Virtual G+ and F2F meetings, as feasible
- Written status reports 2x/month
- To be eligible for profit sharing, must commit to quarterly assignments and meet quality & deliverable expectations.
